

# It's all about Muff Muff...

Elegant Wrist Candy

Fashionably Affordable Handcrafted Jewelry

## Muffin's Story...

Please meet the sweetest little guy, Muffin. Muffin was born on Sept 10, 2014 and was taken to the Downey Animal Care Center, along with his brother, by the Los Angeles County Department of Animal Control. Muffin's brother was adopted on the same day that he was, but unfortunately he ended up passing away at an emergency vet because Downey did not treat him properly for diarrhea. Muffin was also adopted, but on the day he was to be released, a Downey vet tech inserted a microchip INTO his spine, paralyzing the poor guy's left side.

Muffin underwent an extremely risky procedure at City of Angels pet clinic. While it was risky because of his size and age, waiting to perform the surgery presented its own risks and the bone density will increase, further securing the

microchip. Please consider donating to help cover Muffin's vet bills, that are projected to exceed \$5k. The costs are currently being incurred by Laurence Slama and Nine Lives Rescue; any additional funds leftover after Muffin's care will go directly back to the rescue to be used to take care of other animals that are currently in the organization's care, as well as to get more animals out of the shelter and into foster and forever homes!

Please help us spread the word about Downey. If we can raise awareness, perhaps more of these beautiful innocent souls will be adopted by people

willing to go an extra half hour to an overpopulated and less popular shelter for Angelenos. Best case scenario, we save more animals and persuade the city to examine their policies on animal control.

## How You Can Help...

Here's a way that you can help. Elegant Wrist Candy has created a bracelet in honor of Muffin, and his fight against animal cruelty and shelter abuse.

Elegant Wrist Candy will donate their time to create the bracelets, and only

recoup the cost of supplies. The remaining \$20 will help Muffin spread the word.

Please go to our website at [www.elegantwristcandy.com](http://www.elegantwristcandy.com) to purchase Muffin's bracelet.

Thank you for helping to save the lives of precious,

loveable animals. They all deserve a chance to be happy.
